FOR IMMEDIATE RELEASE

OCALA INTERNATIONAL AIRPORT TO HOST PUBLIC INPUT MEETING FOR MASTER PLAN UPDATE

OCALA, Fla. (Feb. 5, 2025) – The Ocala International Airport will host a public input meeting to discuss the ongoing Master Plan Update. The meeting will take place Wednesday, Feb. 19, from 5 to 7 p.m. at the Mary Sue Rich Community Center at Reed Place, Banquet Room One (1821 NW 21st Ave.).

The Airport Master Plan is a strategic document that outlines the long-term development and operational needs of the airport, ensuring it can safely and efficiently accommodate future growth. It serves as a blueprint for infrastructure improvements, regulatory compliance, environmental considerations, and economic development, keeping the airport a valuable asset for Ocala.

The meeting will be held in an open-house-style format, allowing attendees to drop in at their convenience. Industry experts and airport staff will be available to provide information, answer questions, and discuss the master planning process and project progress.

The Ocala International Airport encourages everyone to attend and share their input as we work together to shape the airport's future. Community participation and feedback are invaluable to this process.

For more information, contact Ocala Airport Director Matt Grow at 352-629-8377 or mgrow@ocalafl.gov.
