

AREA LIGHTING INQUIRY FORM (RESIDENTIAL)

Interested in having an area light installed by Ocala Electric Utility (OEU) at your residence? Here are the two (2) available options.

Please note: Light fixture may vary slightly by manufacturer.

Minimum installation cost	NEMA Head	Cobra Head
Existing OEU pole onsite	\$393	\$779
OEU must install a pole	\$1,060	\$1,558

Additional installation costs may apply and will be calculated by an Engineering representative after a site visit and discussion with you. Installation costs **do not include the monthly charge**, which start at \$9.60.

To continue, please choose the light from above and complete the information below.

Customer Name: _____
